

EqualEngineers

Engineering & Technology Careers Fair 2017 for Students & Graduates

Rolls-Royce

Headline Sponsor

Over **50** engineering and technology employers with **student placements**, **internships** and **graduate** vacancies in 2018.

Our exhibitors are committed to creating an **inclusive** engineering and technology industry and are on the look out for candidates from **underrepresented groups** in industry e.g. female, ethnic minority, LGBT+ and disability. Come along and hear about the exciting opportunities available.

There will also be an insights seminar with **role models** from the above backgrounds speaking about their experiences. We will also have a **CV & Applications surgery**, **interview skills workshop** and **psychometric test practices** available on the day.

Sign-up on the short URL below, or use the QR tag on this poster to go straight to registration page.
