

16 May 2024

Dear members of the encampment,

We are writing to you following the unauthorised demonstration that took place within and outside our Mile End campus yesterday evening.

As you are aware, you did not seek authorisation to set up this encampment on our campus. We have explained to you and the wider Queen Mary community that we would continue to monitor the impact of your activities.

The demonstration last night (15 May) resulted in criminal damage to Queen Mary property, put the health and safety of our communities at risk, and potentially was a public order offence.

We are therefore asking you to now disperse your encampment with immediate effect.

Sincerely,

Sharon
